

## QUALITY POLICY

A-MSCG.04  
10/2021  
REV.01

**CHMLAB GROUP**, is a company specialized design, manufacture, and marketing of laboratory consumables for filtration, microfiltration, and chromatography, among others.

It offers products which help to carry out quality controls in a more efficient way and at a lower cost. Our vision is to offer the consumables that are best suited to strict quality controls in the laboratory.

The CHMLAB GROUP Management assumes the commitment and leadership for the implementation, maintenance, and improvement of the Quality Management System, and that is why it declares its commitment to:

Stick to all the requirements established in the Quality Management System, according to the requirements of the UNE-EN-ISO 9001: 2015 standard, the legislation applicable to the Organization.

Make the profitability of economic activity compatible with the maximum satisfaction of the needs of our clients.

Innovate with quality products with the aim of the constant evolution of our customer service.

Maintain and improve the continuous effectiveness of the Quality Management System in order to offer customers better products and services.

Assess the needs of each client and offer the product that best suits their needs, through personalized treatment and technical attention, always advising the most appropriate solution for each client.

Promote cooperation with suppliers and collaborators of the Organization in order that they conform to the work philosophy of CHMLAB GROUP, since they represent us in the face of the client.
